

CORAL SPRINGS ORCHID SOCIETY

November 2018

Volume 11

Upcoming November Speaker - Tony Millet

Our guest speaker for November is Anthony (Tony) Millet. Tony's lecture will be a light, fun but educational presentation filled with easy do it tips & demonstrations! Tony started his growing career at a very young age growing everything from seed (guided by his mother) in Brooklyn, NY. He then started developing orchids into cool, intermediate & warm types leading the way to growing orchids in underground cold frames to an above ground greenhouse. This set the tone for his semi retirement lathe house Florida style growing! His life time experiences of growing from seed has led to his now orchid hybridizing program!

Tony breeds & grows "unusual" hybrid orchids in the large Cattleya alliance. He also performs all flasking activities, lectures as well as teaching. Tony is an AOS student judge & many of his hybrids have been AOS awarded!

Every month our members are encouraged to bring in their latest growing achievements for judging & possible ribbon awards! Make sure you fill out an exhibit form for your plant. It must be completed in full & **printed** so it can be read easily. All information must be completed in full for judging consideration! Make sure:

2. The orchid must be entered in the correct category
3. You must have owned the orchid 6 months
4. Display your orchid in an attractive container

Note on Culture Awards: This award is a reflection on the outstanding cultural practices of the grower! Cultural merit is not necessarily related to size; it is related to quality. This award is not necessarily given out each month.

NEW!!!!

Starting in November we will have a U.F.O. table to display your unidentified flowering orchids for judging. Winners will be awarded ribbons & possibly someone can identify your entry. UFO blue ribbon winners will appear on our website also.

A CSOS Orchid Tree ?

Yes an orchid tree!!! In the coming months, our board members have been invited to visit Flamingo Gardens in Davie to pick our CSOS Orchid Tree. Many societies have already picked their tree & have been busy mounting their orchids. Over time our members can donate orchids that will be mounted to our CSOS tree! All our members will be invited to be a part of this project! The "Orchidteers" provide weekly watering & fertilizing to all these trees with orchids. More information to come....

Some Orchidteers & society members mounting orchids in their trees while Wendy Mazuk, the Ghost Orchid Speaker shared her method of mounting.

INTERESTED IN BECOMING AN "ORCHIDTEER" ??

What is an "Orchidteer"? The Orchidteers are a new group of volunteers that meet monthly to help hang and care for orchids in the Flamingo Gardens.
